Dear Mr. Hedberg:

This letter is written in response to Cause No. M/027/007 involving the informal hearing requested by Jumbo Mining. Much of Jumbo Mining's operation takes place on public land administered by the Bureau of Land Management (BLM). The BLM is hereby petitioning the Utah Division of Oil, Gas and Mining (UDOGM) to request the right to participate in the informal hearing requested by Jumbo Mining. This petition is in response to a legal notice published in the Millard County Chronicle on October 25, 1990. At this point I anticipate that the participation of the BLM will be limited to that of an observer of the proceedings. However, our role could expand should UDOGM or Jumbo Mining request clarification of the Bureau's policies or regulations regarding the conduct of mining operations on lands administered by the BLM.

Please advise Phil Allard at (801) 743-6811 as to the date, location and time of the informal hearing when it is scheduled.

Sincerely,

*Rex Rowley*
